I got this dress in pink size medium. I felt like I needed a solid color dress in my wardrobe and price was great (I got it when this jsk had free shipping). I love the simplicity of this dress. I find this dress very versatile, very easy to dress up or down and give a country, sweet or otome look. The dress is very rooming and it has pockets! The only negative is the pink is darker than the picture, but I still really like this dress
